### Tempe's *Side Effects* Arrives On Mar. 11

His work is legend among genre film fans. This would be none other than indie filmmaker J.R. Bookwalter, who has delivered such "delights" as *The Dead Next Door*, *Ozone*, *Poly-morph*, *The Sandman* and *Witchhouse 2: Blood Coven* ... plus more, many more.

He began his film career in the early years of VHS, when there was this new distribution avenue called "direct to video."

Before 1980, filmmakers on a tight

### O'Scope's *Omar And Cedric* On Feb. 25

OMG! That's what immediately jumps to mind when watching documentary filmmaker Nicolas Jack Davies' music-themed biopic *Omar and Cedric: If This Ever Gets Weird*, which chronicles the life-experiences of Omar Rodríguez-López and his long-time friend and fellow recording artist Cedric Bixler-Zavala.

Oscilloscope Laboratories announced this past week that both DVD and Blu-ray editions will be streeting on Feb. 25.

What makes this look at the decades-long ups

## Severin's "Blood Island" Set, Mar. 25

Severin Films, with sales and distribution expertise provided by MVD Entertainment Group, has a magnificent collection of classic genre delights from the filmmaking talents of Eddie Romero and Gerry de Leon.

Titled *Fear in the Philippines: The Complete Blood Island Films*, this double-disc Blu-ray edition features four classic horror delights —

all four films with new 4K scans and uncut in their presentation — will be available for fans to savor on Mar. 25.

So what cinematic treats does Severin Films have in this must-have horror collection?

We kick off with director Gerardo de Leon's (with an uncredited Romero) 1959, 1964 and 1969 film release of *Terror is a Man* (screenwriter Paul Harber's loose adaptation of H. G. Wells' 1896 novel, "The Island of Dr. Moreau").

Why so many release dates? The first was through Valiant Films

## Mill Creek's *Documentary Now!*, Feb. 25

Mill Creek Entertainment has set Feb. 25 as the street date for the four-disc Blu-ray collection of the Emmy Awards-nominated mockumentary comedy series, *Documentary Now!*

Serious, insightful documentaries — real, actual documentaries — are turned on their head by series creators Fred Armisen (*Portlandia*, *Wednesday*, etc.), Bill Hader (*Trainwreck*, *It Chapter Two*, etc.), Rhys Thomas and Seth Meyers with the same tone, style and topic, but "upside" down ... and hysterically funny!!

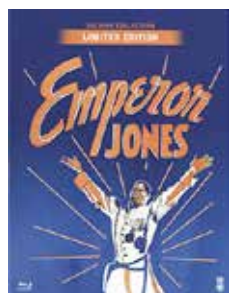

From socialites dealing with age and crumbling fortunes to a film festival in remote Iceland celebrating the life and times of Al Capone, from a two-parter focusing on the music career of the Blue Jean Committee to the father/son operation of Juan's Rice & Chicken restaurant the *Documentary Now!* series lets it rip. See Venom Page 22

Four seasons of mockumentary merriment — in this Blu-ray collection — from Mill Creek Entertainment will be available for your viewing enjoyment on Feb. 25.

Bonus features include deleted scenes, the IFC Emmy Awards panel discussion and a series of behind-the-scenes featurettes.

## Film Masters Restores *Emperor Jones*

Look to Feb. 25 for the arrival of a newly restored Blu-ray edition of director Dudley Murphy's 1933 film adaptation of Eugene O'Neill's 1920 stage play, *The Emperor Jones*, starring Paul Robeson as the "gone astray" Brutus Jones.

Gifted singer, intellectual, stage actor and later in life a political lightning rod, Robeson reprised his performance in O'Neill's long-running stage production in his film debut here, which featured an all-black cast, save for Dudley Digges (*Alexander Hamilton*, *Tess of the Storm Country*, *The General Died at Dawn*, etc.) as the ruthless gun runner and shady Caribbean businessman, Smithers.

Brutus Jones goes from being celebrated at the local Baptist church for landing a coveted job as a See Emperor Page 24

## Paramount's *Sonic 3* Arrives On Apr. 15

Paramount Home Entertainment has selected Apr. 15 as the street date for a full spread of physical media consumer purchasing options for director Jeff Fowler's latest installment in the hedgehog named Sonic film franchise series, *Sonic the Hedgehog 3*.

The ARR works out to 116 days and the domestic box office haul currently stands at an impressive \$219.8 million.

Planned for distribution are stand-alone DVD and Blu-ray editions, however major retail sources are not listing Blu-ray purchasing options, which is in keeping with recent distribution patterns for *Smile 2* and *Gladiator II*. See Sonic Page 6

# Emperor JONES

## BRUTUS JONES GOES FROM STAGE TO SCREEN!

The murderous Brutus Jones escapes from jail and bluffs his way to becoming the emperor of a Caribbean island. Jones claims to have magical powers and rules with an iron fist. Based on Eugene O'Neill's Expressionistic play, the film stars Paul Robeson in the same role he played on the Broadway stage. Brutus Jones is an unforgettable character, and *The Emperor Jones* is an American classic! This version includes the final scene restored to its original blue tint.

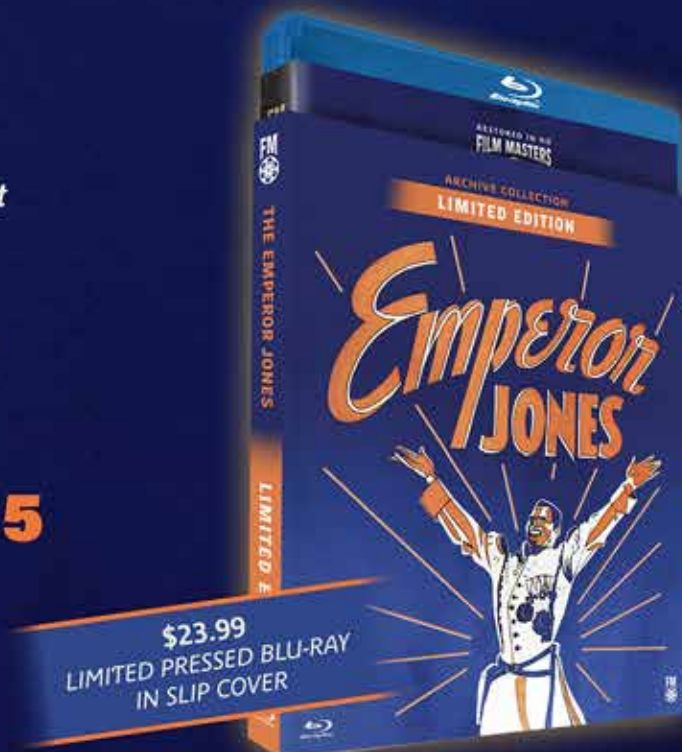

### INCLUDES:

Bonus film, *The Tallest Tree in Our Forest* (1977), a documentary on actor Paul Robeson

Commentary and liner notes by Karen Burroughs Hannsberry

## 4K For Warner's *Amadeus* On Feb. 25

Warner Bros. Discovery Home Entertainment, with a nod to the Oscar telecast on Mar. 3, has selected Feb. 25 as the debut date for a 4K Ultra HD edition of director Milos Forman's 1984 Best Picture winner, *Amadeus*.

Forman also won the Oscar for Best Director, plus F. Murray Abraham took home the gold for Best Actor and Peter Shaffer's adaptation of the stage play earned him an Oscar as well.

Bonus features include the newly-prepared featurette titled "The Making of *Amadeus*" and the vintage featurette, "*Amadeus*: The Making of a Masterpiece."

## Universal's *Nosferatu* Debuts On Feb. 18

Universal Pictures Home Entertainment will be moving director Robert Eggers' remake of *Nosferatu* to the physical media market place in lightning-quick fashion on Feb. 18.

This marks the third time that *Nosferatu* has reached cinemas — F. W. Murnau's 1922 silent classic See *Nosferatu* Page 23

There will also be two 4K Ultra HD / Blu-ray Combo Pack editions, included in this mix is a SteelBook selection (limited edition).

Also included in the announcement is the opening of a premium VOD window on Jan. 21, which gives the "Helper" community an 84-day window to move their own Blu-ray editions (the favorite distribution format for capacity) to unsuspecting consumers.

As for bonus features, these are limited to the 4K Ultra HD SKUs and include commentary from Fowler, who is joined by Sonic voice talent Ben Schwartz. There are also deleted scenes, a gag reel and a whopping nine featurettes — "Sonic Family Fun," "Enter Shadow," "Robotnik Family Reunion: Ivo and Gerald," "For the Love of Sonic: Directing a Trilogy," "The Fox, the Echidna and the Hedgehog," "Live-Action Lunacy: Acting Opposite Puppets," "From the Cryo-Tank to London: The World of Sonic," "Team Sonic vs. Shadow" and "A Very Sonic Christmas."

# LET THE SUNSHINE IN!

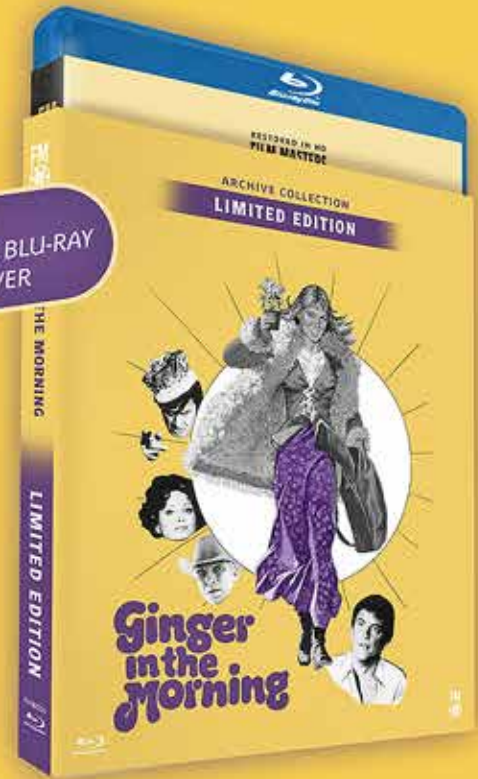

ARCHIVE COLLECTION  
LIMITED EDITION

## Ginger in the Morning

A free-spirited young hitchhiker befriends a middle-aged man in this lighthearted charmer. Sissy Spacek, in between her star turns in *Badlands* and *Carrie*, plays the title role, and is joined by such stars as Monte Markham, Mark Miller, and Fred Ward. The movie has a great early seventies feel, and may make you yearn for the days when picking up hitchhikers was an everyday thing!

With a NEW HD PRINT of

## ATTACK OF THE GIANT LEECHES

**NO ONE IS SAFE WHILE THESE GROTESQUE  
HORRORS ROAM THE LAND!**

Executive producer Roger Corman unleashes hideous aqua beasts and horrors from outer space in two of his most memorable thrillers. A mutant stalks the Earth when the body of a dead astronaut is used as an alien incubator in *Night of the Blood Beast* (1959). Equally revolting is *Attack of the Giant Leeches* (1958), which stars B-movie siren Yvette Vickers (*Attack of the 50-Foot Woman*) in a watery scare fest about massive, bloodsucking monsters. The two features were directed by Bernard Kowalski who went on to be Emmy-nominated for his television work, but they are truly representative of Corman's world: cheap, tasteless, and extraordinarily fun!

### BONUS FEATURES

- TV (1.37:1) format of *Night of the Blood Beast*
- 8mm silent digest version of *Night of the Blood Beast*
- Feature-length commentary tracks by Tom Weaver and 'The Weaver Players' for both films
- *Mystery Science Theater 3000* episodes featuring *Night of the Blood Beast* and *Attack of the Giant Leeches*
- *Born From T.V.: Bernard Kowalski as a Director*, a new featurette from Ballyhoo Motion Pictures with film historian/screenwriter C. Courtney Joyner and audio readings by Andrew Fenady, Jr.
- *Night of the Blood Beast* & *Attack of the Giant Leeches* publicity & still slideshow courtesy of Mike Barnum, and a Yvette Vickers slideshow courtesy of Tom Weaver
- Full-color booklet insert with original essays by Tom Weaver
- Re-cut trailers for both films using restored elements
- Film restoration comparison for *Night of the Blood Beast*

### O'Scope Continued

and downs of At the Drive-In, The Mars Volta and other band incarnations of musicians "Omar and Cedric" is the primary source for the video footage, which is countless hours recorded over the years by Omar.

Often raw and crude (the glory of old VHS recordings), film editors David Atkinson and Gary Forrester did yeoman's work in assembling Davies' documentary narrative into both a riveting / revealing look at the music of Rodríguez-López and Bixler-Zavala and a coherent examination how their often stormy relationship survived sex, drugs and rock 'n roll (breakups and reunions) ... exactly how many times did The Mars Volta form and reform?

The film made its debut at London's Raindance Film Festival in October of 2023, skipped across the pond for a March of 2024 showcase at the South by Southwest Film Festival and continued to work the festival circuit until Oscilloscope released the film with in November with a limited theatrical showcase. For the record, the ARR works out to 95 days.

Fans of The Mars Volta (et al) will definitely want to check out the DVD and Blu-ray release *Omar and Cedric: If This Ever Gets Weird* from Oscilloscope Laboratories on Feb. 25 ... those new initiates to the world of "Omar and Cedric" will not be disappointed in this story well-told.

budget had three choices. Run out of money and shove the project to another day ... this was always an option (maybe an arthouse showing or a film festival screening ... often years later). They could finish the film and pay for a few 35mm prints and "bicycle" these from market to market (Ed Wood made a science of it). Or they could shop the finished product to cable and network TV as a late-night MOW.

With J.R. Bookwalter's latest gem, *Side Effects May Vary*, which marks his return to the director's chair after nearly twenty years of producing and distributing films ... he could have taken the "direct to video" option, but being a savvy filmmaker with nearly four decades of production, marketing and distribution experience, he decided to go throwback and do the Roger Corman early-days route with a market-by-market launch of the film.

Bookwalter's Tempe Digital (aka: Tempe Video), with sales and distribution support provided by MVD Entertainment Group, has selected Mar. 11 as the Blu-ray debut date for this sci-fi/horror thriller.

Normally that would be the beginning and the end of it, but Bookwalter — being the showman that he is — elected to go back to the aforementioned post-war roots of indie theatrical distribution with a market-by-market approach employed by indie filmmaking pioneers of the period. In his case, it was a theatre-by-theatre rollout with 38 venues hosting *Side Effects May Vary* beginning in January of 2024.

Bookwalter would do the promotional efforts, host the screening — the revenue was split with each participating theatre on a 50/50 basis — and interface with the audience (think: Q&A). Thus *Side Effects May Vary* was every much a theatrical release just like *Little Shop of Horror*,

*Night of the Living Dead and The Giant Spider Invasion.*

To that point, the ARR comes in at 410 days and the box office take from the film's theatrical revenue — plus the kickstarter promotional "limited edition" DVDs and Blu-rays released by Bookwalter (autographed, etc.) during the market-by-market campaign — more than covered the film's production costs.

That's winning indie filmmaking ... with a nod to the greats of yesteryear!!

As to the bonus features for this pandemic themed horror tale — which operates as so many different levels (no spoilers here) — Bookwalter provides commentary on the "director's cut" and there is the Roadshow Opening Night Q&A at the Harris Theatre in Pittsburgh, Pennsylvania (a nod to George A. Romero).

*Nosferatu Continued*

and again with *auteur* filmmaker Werner Herzog's brilliant vision in 1979.

Universal has tabbed Jan. 21 as the VOD launch date, which gives the "Helper" community just four short weeks to peddle their own Blu-ray editions to unsuspecting genre fans.

As to bonus features, we begin with an extended cut of the film and commentary from filmmaker Robert Eggers (*The Witch*, *The Lighthouse*, *The Northman*).

There are also deleted scenes and seven production featurettes — "Nosferatu: A Modern Masterpiece," "Breathing Life Into a Dream," "Becoming Count Orlok," "Capturing the Mood," "Recreating 1838," "Dressing the Part" and "The End is Just the Beginning."

**Emperor Continued**

Pullman porter (off to the big city) to becoming a gambler, womanizer, murderer (it was an “accident”), escaped convict and ultimately the “Emperor” of a Caribbean island ... the very corrupt “Emperor” at that!

The film, because of its cast, was often relegated to the “Negro” theatrical circuit and for many audiences of the period *The Emperor Jones* was a complete unknown.

Bonus features include commentary from author and film historian Karen Burroughs Hannsberry (“Femme Noir: Bad Girls of Film,” “Bad Boys: The Actor of Film Noir” and host of “Shadows and Satin”) and documentary filmmaker Gil Noble’s 1977 look at the life and career of Paul Robeson, *The Tallest Tree in Our Forest*.

\*Through Dec. 13, 2024

*Severin Continued* as part of the double bill with Romero's *The Scavengers*.

Enter Samuel M. Sherman, with producer Kane W. Lynn's Hemisphere Pictures (later Independent-International Pictures Corp.), and *Terror is a Man* saw a second life in theatres in 1964. And then Sherman retitled the film *Blood Creature* (among others) for a 1969 theatrical re-issue.

It's important to understand the dynamics of Eddie Romero, Gerry de Leon, Kane W. Lynn and Samuel M. Sherman ... and actor John Ashley. The next three films in the collection all involve this combination of players in one form or another.

These films are: *Brides of Blood* (1968), *Mad Doctor of Blood Island* (1969) and *Beast of Blood* (1971).

Severin Films has all four films in this one collection — one-stop shopping for genre fans!!

OK, great, but what about bonus features. Again, Severin has you covered.

Running down the list, *Terror is a Man* includes four featurettes — "Man Becomes Creature," "Dawn of Blood Island," "Terror Creature" and "When the Bell Rings."

*Brides of Blood* (the first in the series starring John Ashley) includes commentary by Samuel M. Sherman and three featurettes — "Jungle Fury," "Here Comes the Bride" See Severin Page 29
